WHITEPAPER

INTRODUCTION

**I-Token is a Community
Based Project Built for the
Investors**

ABOUT I-TOKEN

I-token will change the way you think about crypto! Instead of selling you'd want to hold and gain more! Reflections that will increase overtime. Road map that will be updated upon members votes to bring new ideas and utilities to our community.

Unique NFT Passport And Marketplace

Marketplace: The next generation of NFT marketplace that will exclusively feature unique vetted utility NFT's from i-Token and from other projects on the blockchain creating an ecosystem that will give NFT's higher standards and change how the world views NFT's.

I-Token Passport: Will give you access to get exclusive NFT's on the marketplace, passport holders will be joining a private group that will give them access to all future i-Token projects before the public.

TEAM

I-Token is lead by a dynamic team of professional with high experience in the crypto space in many different fields including: finance, blockchain developing, community satisfaction, marketing, a visionary team and looking forward to a better crypto future, very passionate and committed about this project.
